

## **Impersonation of Legal Practitioner - January 2019**

The Law Society has been informed that there are ongoing attempts to impersonate lawyers from I.R.B. LAW LLP via misleading e-mail addresses.

These e-mails typically contain allegations of harassment and discrimination from a customer of the recipient of the e-mail. Such e-mails appear to have been sent from the e-mail account '**rebecca.chia@irblaw.com.sg**'.

Members of public who receive any e-mail from the e-mail address '**rebecca.chia@irblaw.com.sg**' are advised not to reply.
