介绍

DIRECTORY OF SINGAPORE LAWYERS

The strong cross-cultural understanding that Singapore lawyers possess enable them to serve as a bridge between the East and the West. Practising in a commercially-oriented and fast-paced environment, Singapore lawyers are technically competent and well-positioned to offer a comprehensive suite of legal services to China-based companies seeking to expand their global footprint.

For your ease of reference, the Law Society of Singapore has curated a Directory of Singapore Lawyers especially for clients and lawyers based in China. The directory is categorised into 9 main areas:

1. M&A, company taxation & company restructuring
2. Distressed assets financing/investments and insolvency, Debtor-In-Possession Restructuring
3. Outbound investment consultancy and risks management (compliance)
4. Project financing and onshore/offshore financing
5. International disputes resolution including both arbitration and mediation
6. Intellectual Property
7. Employment and Labour
8. Personal issues such as Family matters, Tax and Trusts (relocation)
9. Construction and Infrastructure Project Disputes and impact on contractors and sub-contractors
