Speakers' Profile

Judge Chiah Kok Khun - District Judge, The State Courts of Singapore

Kok Khun is a district judge in the State Courts of Singapore.

Prior to his appointment as district judge, Kok Khun was in private practice for 20 years. His practice was in civil and commercial litigation. He had acted in a number of major disputes before the High Court and the Court of Appeal. He had also acted for parties in international commercial arbitrations.

Kok Khun graduated with an LLB from the National University of Singapore. He is a fellow of both the Chartered Institute of Arbitrators and the Singapore Institute of Arbitrators.

Anthony Wee – Managing Director, Titanium Law Chambers LLC

Anthony was called to the Bar in 1997 after having graduated from National University of Singapore in 1996. He started his legal career in Cooma, Lau & Loh before moving on to Rajah & Tann in 2001. In 2005, Anthony was made a partner in Rajah & Tann. In August 2006, Anthony left Rajah & Tann and co-founded United Legal Alliance LLC.

In 2021, United Legal Alliance LLC was recognized as being one of “Singapore’s Best Law Firms” by The Straits Times and Statista. Quite tragically, it was also in 2021 that the directors of United Legal Alliance LLC decided to voluntarily liquidate the firm. This decision led directly to the formation of Titanium Law Chambers LLC in April 2021.

Anthony hopes to lead Titanium Law Chambers LLC for the foreseeable future before passing on the baton to the next generation.

In 2014, Anthony argued the case of *Lai Wai Keong Eugene v Loo Wei Yen* before the Court of Appeal. It was the case of *Lai Wai Keong Eugene v Loo Wei Yen* which Anthony argued in the Court of Appeal that led directly to the formation of the Committee to Review the Law on Damages for Personal Injury and Death and Personal Injury (Claims Assessment) Review Committee. These Law Reform Committees eventually paved the way to a change in the means by which loss of future earnings and future medical expenses are assessed. Starting from 1 April 2021, the multipliers to be used in coming to the final amount of damages to be awarded for loss of future earnings and future medical expenses would be based on the publication, “Actuarial Tables with explanatory notes for use in Personal Injury and Death Claims”.

Anthony is proud to have been involved in catalysing the changes in law such that claimants who suffer from major injuries and dependants of breadwinners who are killed in accidents would no longer be unduly and unwittingly under-compensated.
