About the Programme

Step into the future of legal practice at the Legal Tech Fair 2025, where innovation meets opportunity. Designed for small law firms, sole proprietors, and forward-thinking next-gen lawyers starting their own practices, this event is your gateway to practical, game-changing technology designed to boost productivity and fuel business growth.

Tech that Works for You

Discover end-to-end IT solutions - implementation, operations, and even secure e-waste disposal. Learn how to integrate tech seamlessly while keeping sensitive data secure.

Master Digital Marketing for Law Firms

Unlock the secrets of leveraging technology to attract more clients, strengthen your online presence, and navigate the ethical considerations of digital marketing within the legal industry.

Get Access to Exclusive Government Support

Explore grants, resources, and initiatives like the Legal Industry Digital Plan. These tools are designed to accelerate your firm's digital transformation, helping you stay efficient and competitive.

Programme Highlights:

- Introduction to Legal Tech Fair – Overview of the fair and its objectives, setting the stage for the day's discussions.
- Panel Discussion: Why Legal Technology? – Exploring effective strategies for implementing and maintaining legal tech, ensuring law firms remain compliant, secure, and competitive.
- Government Grants & Support Schemes – Insights into Productivity Solutions Grant and Legal Industry Digital Plan.
- Types and Trends in Legal Tech Tools – Overview of different legal tech tools, their classifications, and the latest industry trends.
- Tech Adoption Journey by Small Firms – Sharing by two small law firms on their journey to adopting technology and overcoming challenges.
- Networking & Booth Exhibitions – Opportunity to connect with peers and explore booths showcasing tech solutions for the legal industry.
- Digital Marketing for Law Firms – How technology can help law firms generate business, improve SEO, and navigate ethical considerations in digital marketing.

This is more than just a tech fair; it is your opportunity to future-proof your legal practice. Don't miss out and register now!

NOTICE OF PHOTOGRAPHY AND RECORDING OF EVENT

Photographs, audio, and video recordings of this event may be taken or captured by the Law Society of Singapore (the “Law Society”) and its authorised representatives.

By participating in this event, you consent to the Law Society’s photography and recording of your image, likeness, and voice. You also grant the Law Society the right to use your image, likeness, and voice for any marketing and promotional activities conducted in connection with the event without any further notification or compensation to you. This includes but is not limited to, the publication of publicity on the Law Society’s website, social media platforms, brochures, press releases, and reports. Additionally, you hereby waive any right to inspect, approve, edit, or manipulate any pictures, photos, screenshots, video, and audio recordings taken by the Law Society.

All photographs and videos taken by the Law Society and its authorised representatives are the property of the Law Society, and shall not be reproduced without the Law Society’s express prior written consent.

Speakers Profiles

Daniel Chan – Director, Verlata Consulting

Daniel strives to bring technology and ideas to firms looking to modernise, through the adoption of platforms that assist the practice and business.

His passion also lies in bringing technology into new markets and working with firms to deliver a consistent message internally and to their clients.

For firms on CoreMatter and / or NetDocuments in Singapore, you would be familiar with Daniel and his eagerness to help users get the best out of the platforms, be it through design, access control system designs, change management & user training, and recurring support.

Daniel is a Director at Verlata Consulting, and leads the Verlata Singapore team, catering to organisations in Singapore and Asia. He has close to a decade of experience in working with law firms, corporate legal teams and service companies.

Adrian Choo – Director, Availabilit Pte Ltd

Adrian is the co-founder and Director of Availabilit Pte Ltd (AVBT). He oversees the implementation and technical support of all the technology products, services and projects provided by AVBT to professionals for the past 5 years. His vast experience and deep knowledge of Windows, Mac and Linux technologies and creative hybrid solutions has been the core reason to the success of AVBT.

Prior to joining AVBT, Adrian was the Director and CTO of Famit Pte Ltd and an Associate Lecturer at Singapore University of Social Sciences (SUSS) for University of Wollongong. Being a distinguished Alumnus of Wollongong, Australia, He has mentored many successful juniors during his 4 year part-time stint at SUSS.

Adrian has more than 15 years of experience in IT support and implementing developed solutions. He enjoys integrating business with IT to simplify people's lives and developing business solutions at strategic level with critical emphasis on data security and usability for users. This interest stemmed from his temp job at the Ministry of Foreign Affairs after his O-level exams.

His vast IT knowledge, extensive experience and cheerful attitude working with his clients has earned him great praise from clients and colleagues.

Adrian has the following certifications:

- Offensive Security Certified Professional. (Focused on penetration into networks).
- Certified Hacking Forensics Investigator. (Focused on digital forensics).
- Certified Information Systems Security Professional. (Focused on security policy development).
- Information Technology Infrastructure Library. (Focused on IT documentation).
- Negotiation Strategies for Success from Lee Kwan Yew School of Public Policy.

Jonathan Choo – Managing Director, Vantage Chambers

Jonathan Choo is currently an Independent Arbitrator and Mediator after having spent more than two decades in international firms handling a broad range of high-value international disputes. He is dual-qualified as an Advocate and Solicitor in Singapore and a Solicitor in England & Wales.

Jonathan is a Fellow of the Chartered Institute of Arbitrators and currently serves as Vice-Chair of its Singapore Branch. He is regularly appointed as Arbitrator, including as Presiding Arbitrator, and features on the panels of many of the world's leading arbitral institutions, including the Singapore International Arbitration Centre's (SIAC) main panel of arbitrators.

Jonathan is also a sought-after Mediator with a strong track record of successfully mediating general commercial disputes. He is a Specialist Mediator with the Singapore International Mediation Centre and has also been appointed by the World Intellectual Property Organization (WIPO) and the Intellectual Property Office of Singapore to mediate IP disputes.

Jonathan recently established Vantage Chambers LLC, an independent Singapore law firm focussed on promoting the use of Appropriate Dispute Resolution.

Jordan Carter – Customer Success Lead, APAC, Clio

Jordan is a highly accomplished law firm consultant with an impressive track record. As the Customer Success Lead for Clio, he has provided expert guidance to over 1,000 law firms across the globe from Singapore to Canada and everywhere in between, demonstrating his extensive reach and influence in the legal industry.

With a passion for empowering law firms through technology, Jordan specialises in helping practices of all sizes optimise their operations and achieve sustainable growth.

Jordan's commitment to supporting smaller firms is particularly noteworthy. He believes in equipping these practices with the tools and knowledge they need to compete effectively and deliver exceptional legal services. By focusing on both technological integration and strategic marketing approaches, Jordan enables law firms to enhance their efficiency, expand their client base, and ultimately thrive in a competitive legal landscape.

Yasmin Hussain – Head of Legal Asia, Lexis Nexis

Yasmin Hussain is a qualified English lawyer who has been working with LexisNexis and RELX for more than 14 years in global and regional general counsel & compliance roles spanning multiple jurisdictions including over 12 years in Asia. Yasmin has been integral to setting up and managing the legal and compliance functions in both Asia and globally and contributing as a senior leader.

Professor Lim How Khang – Assistant Professor of Law and Computer Science (Practice); Director, Research Programme for Computational Law; Director, BSc (Computing & Law) Programme, Singapore Management University

Assistant Professor Lim How Khang is an expert in AI and computing for legal professionals. He teaches at SMU Yong Pung How School of Law and leads popular AI masterclasses. When not in the classroom, he's often found talking to AI – and learning how it can revolutionise legal practice.

Lim Seng Siew – Director, OTP Law Corporation

Lim Seng Siew, Director of OTP Law Corporation, has over 30 years practice experience in litigation and commercial transactions, concentrating mainly on data protection, cybersecurity and technology related matters. In addition to practice experience, the years when he was CEO of a technology start-up (2000-2003) and Senior Director of the Technology Cluster, Singapore Academy of Law (2008-2011) has also gained him practical experience managing technology projects as well as the daily operations of such entities. His combined experience translates to practical advice to clients who intend to start a new or run a technology business, manage their technology partners and/or develop technology projects. His litigation experience means that he had the ability to spot potential problem areas and suggest possible solutions.

Serena Lim – Director, Bizibody Technology

Serena Lim is a pioneering legal technology specialist and entrepreneur with over 24 years of experience in transforming legal practices through technology. As the founder of Bizibody Technology and Litigation Edge, she has been at the forefront of implementing innovative legal technology solutions that serve one-third of Singapore's law firms.

Following her role as Managing Partner at Khattar Wong's Hong Kong office, Serena has dedicated her career to making legal technology accessible for law firms of all sizes. Her companies partner with leading providers to deliver comprehensive solutions across practice management, document automation, dispute resolution and conveyancing.

Her extensive experience in both legal practice and technology implementation uniquely positions her to bridge the gap between traditional legal work and emerging technologies, helping firms develop sustainable, efficient, competitive and innovative practices.

Since 2023, Serena has been actively collaborating with law firms in using AI-powered legal tools in trial preparation and document review. She has developed expertise in prompt engineering and works extensively with leading LLM platforms. Serena conducts prompt engineering courses at Singapore Academy of Law and works closely with MinLaw, IMDA, law firms, SILE and legal education institutions to advance legal technology education and capabilities in Singapore.

Lim Yong Ling – Assistant Manager, SMEs Go Digital, IMDA

The SMEs Go Digital programme aims to help SMEs adopt advanced digital solutions to go digital and use digital technologies and build stronger capabilities to seize growth opportunities in the digital economy.

Yong Ling is part of the team that launched the Legal Industry Digital Plan (IDP) in October 2023. The Legal IDP identifies digital solutions for Singapore law practices to adopt at different stages of growth, alongside support measures such as IMDA's CTO-as-a-Service to enable SMEs to accelerate digitalisation.

Jessica Low – Customer Success & Community Manager, APAC, Lupl

Jessica Low is a legal professional and community manager with a diverse background in law, legal technology, mediation, and community management.

An accredited mediator and certified in the Advanced Art of Typing with the Enneagram in Business, Jessica holds a Bachelor of Laws and an MA in International Criminology from the University of Sheffield (UK). She is called to the Bar of England and Wales by the Honourable Society of Lincoln's Inn.

Currently, Jessica serves as the Customer Success and Community Manager (Asia-Pacific) at Lupl, where she spearheads efforts to bridge technology and the legal industry, enabling seamless collaboration for law firms and legal professionals.

Marcus Neo – Founder, Three Little Pigs

Marcus graduated with honors in Business and Management from the University of London. He also holds a summer certificate from UC Berkeley, several digital marketing certifications, and a Solutions Brief Therapy certificate from the Social Service Institute Singapore, reflecting his interest in psychology.

He started an online publication in the dating advice for men's space, growing it to over 20,000 global readers through white hat link building, SEO, and paid advertising. Everything was bootstrapped—no venture capital, just grit, technical execution, and constant iteration.

Marcus then worked as a digital marketing specialist at a Singaporean-led agency serving SME business owners, an IMDA pre-approved vendor. Later, he joined one of the biggest banking groups in the region, where he managed up to a million in paid advertising budgets as an e-commerce specialist.

Today, Marcus runs a boutique digital marketing agency helping law firms in Singapore get more clients through a "blended search" method. This approach reflects his belief that relying solely on Facebook ads or SEO isn't enough for customer acquisition. Instead, businesses need a holistic, end-

to-end strategy that integrates consumer psychology with data-driven approaches.

Dharma Sadasivan, Yongwen – General Counsel and Chief Strategy Officer, Stability Protocol

Dharma Sadasivan is General Counsel and Chief Strategy Officer at Stability Protocol, a US-based technology infrastructure company. He previously worked at Accenture and ByteDance, and was a TMT partner before moving in-house. Dharma holds a number of external appointments and serves as a member of the Law Society’s Cybersecurity and Data Protection Committee, and Generative Artificial Intelligence Working Group, in addition to co-chairing the Information Technology Committee. Dharma is interested in the intersection of technology, law, ethics, public policy, and business.

Lisa Sam – President, The Law Society of Singapore

Lisa is the President and part of the Executive Committee of the Council of the Law Society. She is the Managing Partner of Lisa Sam & Company. She has extensive experience and practice in litigation and advisory matters. She was admitted as an advocate and solicitor of the Supreme Court of Singapore in 1997. Her practice areas include corporate law, commercial litigation and advice, family law and general litigation.

Mageswary Sivanathan – Head of Operations & Compliance, SPW Circular Services

Mageswary is the dynamic force driving Operations and Compliance at SPW Circular Services, where her expertise transforms vision into action. Armed with a Bachelor’s degree in Environmental Technology from Universiti Malaysia Terengganu, she has built her career at the crossroads of sustainability, operational excellence, and data security.

A leader in IT asset disposition (ITAD), Mageswary ensures that SPW delivers solutions that are not only efficient and eco-conscious but also uphold the highest standards of data disposal and secure destruction. With a sharp focus on compliance with the Personal Data Protection Act (PDPA) and global data protection regulations, she champions airtight processes that protect sensitive client information while advancing sustainability goals.

Certified as an Environmental Professional in Scheduled Waste Management (CePSWAM), Sustainability Reporting Specialist, and Greenhouse Gas Professional, Mageswary combines technical expertise with a passion for driving impactful change.

Outside the workplace, she’s equally committed to green living, from growing her own food to exploring new hobbies and diving into books.

As a speaker, Mageswary is engaging, solutions-driven, and forward-thinking, offering actionable insights into sustainable operations, secure data disposal, and balancing compliance with environmental responsibility in today’s data-sensitive world.

Wong Li Ming Rachel – Co-Chairperson of Information Technology Committee, Law Society of Singapore

Rachel Wong is a dynamic lawyer who transitioned from M&A to become a trailblazer in the legal tech space, with nearly 9 years of post-qualification experience. As the Founder of Founders Doc, she is driven by a passion for supporting entrepreneurs across Southeast Asia, using technology to simplify legal services and empower founders to thrive.

Rachel is also the Co-Chair of the CPD and IT Committees at The Law Society of Singapore, where she works to shape the future of legal practice. Her journey from corporate law to startup lawyer reflects her commitment to innovation and her desire to make a positive impact in the legal industry.

A First Class Honours graduate from King’s College London in 2013, Rachel was called to the Singapore Bar in 2015. Her experiences at top international firms like Hogan Lovells and White & Case have laid the foundation for her mission to make legal services more accessible and efficient for all.

Registration Fees

Membership Category	Fees (Inclusive of 9% GST and programme materials)
Law Society Member	\$50.00

To register, please visit our website at: <https://www.lawsociety.org.sg/CPD-Portal/Law-Society-Events>. For enquiries, please contact us at Ind@lawsoc.org.sg or 6530-0230.

1. Terms and Conditions

- 1.1 Registration closes on the date as stipulated on the registration page or when all seats are filled.
- 1.2 The registration fee is due and payable upon registration and must be received prior to the programme.
- 1.3 Payment must be made by the closing date stated. Registration will only be confirmed upon receipt of full payment. An email confirming your registration will be sent to the email address provided in your registration, and/or a message confirming your registration will be displayed on the Website. If you do not receive confirmation of your registration within twenty-four (24) hours of your registration, please contact the Law Society L&D team at Ind@lawsoc.org.sg.
- 1.4 The Law Society reserves the right to refuse to register or admit any participant, and to cancel or postpone the programme.

- 1.5 If you are unable to attend, a substitute delegate is welcomed, provided that the Law Society is notified in writing of the name and particulars of the substitute delegate at least 3 working days before the programme.

2. Cancellation and Refund of Fees

- 2.1 Allocation of seats is on a first-come-first-served basis and limited seats for each programme.
- 2.2 Participant who cancels their registration before the commencement date shall be liable to pay the percentage of the registration fee set out as follows:
- i. 20 calendar days before commencement date: 25% of registration fee.
 - ii. 8 to 19 calendar days before commencement date: 50% of registration fee.
 - iii. 7 calendar days or less before commencement date: 100% of registration fee.
- 2.3 Participants who cancel their registration without prior payment made shall also be liable to the cancellation fee set out in 2.2. In the event that the payment for cancellation fee is not received despite multiple chasers, a tax invoice will be issued and mailed to your law practice/organisation.
- 2.4 Participant who is unable to attend the programme due to medical exigencies will be subject to a cancellation fee of 50% of registration fee. Supporting document(s) has to be submitted to The Law Society of Singapore within 3 working days after the commencement of the programme.

3. Intellectual Property Rights

- 3.1 The Law Society reserves all its intellectual property rights (including but not limited to all copyright) which it either owns or holds as licensor in the programme and any materials forming part of the programme (including but not limited to written materials, slides, recordings, assessments and downloadable materials) made available to you as part of the programme ("**Law Society Materials**") and you agree that you will not do anything to infringe or prejudice those rights.
- 3.2 You may view (and where required to do so, download certain) Law Society Materials for your personal educational and training purposes only, subject to the restrictions set out in clause 3.3 below.
- 3.3 You may not:
- 3.3.1. download or copy onto any device or medium any Law Society Materials other than as may be required as part of the programme;
 - 3.3.2. sell, sublicense, distribute, display, broadcast, store, modify, translate or transfer any Law Society Materials;
 - 3.3.3. use any Law Society Materials to create any derivative materials or competitive products;
 - 3.3.4. use any automated, programmatic, scripted or other mechanical means to access the programme;
 - 3.3.5. allow anyone except the individual to whom access to an programme has been allocated;
 - 3.3.6. allow any third parties to access, use or benefit from the Law Society Materials in any way; or
 - 3.3.7. share your password or logon details with anyone.

4. Data Protection

- 4.1 All personal information you disclose to us in the registration form will be processed in accordance with the Personal Data and Protection Act. We will not share your contact details without your written consent.
- 4.2 By submitting this registration form, you consent that the Law Society may collect, use and disclose the personal data you provide in this form to administer your registration for this event and for statistical, analysis and planning purposes, solely related to this programme. You consent that we may disclose: (i) aggregate participant data to speakers to tailor their presentations for this event; (ii) aggregate participant data for publicity purposes.
- 4.3 You agree that any personal information you submit as part of your registration for the programme is accurate and that you have all necessary permissions to submit such personal information.
